

DISCLAIMER

PROPER USE OF THIS SITE

Under no circumstances may INSILVIS be held responsible for damages of any sort resulting directly or indirectly from accessing the site arscontemporanea, from the inability to access the site, from the impossibility of accessing the site at any given time, from any contracts entered into and use made of the notices contained on the site.

INSILVIS will update the website but will not guarantee the accuracy or completeness of it.

ACCESS TO EXTERNAL WEB SITES

INSILVIS has no responsibility on the external web sites that can be accessed via links contained from its web site, offered as simple services to its visitors.

The fact INSILVIS gives these links does not imply that INSILVIS agrees on the contents of these external web sites, the quality, the contents, graphics and other material of which INSILVIS declines all responsibility.

Furthermore, INSILVIS does not guarantee on the softwares included in these external web sites not on their quality, security and compatibility with the systems in use.

COPYRIGHT

All contents, files, graphic art, tables, images and all information enclosed in this website, are protected by copyright and patent rights.

Each product and company herewith mentioned can be protected from copyright or registered to the authority in charge.

They can therefore be down loaded for personal use only and not for commercial purposes. Nothing can be therefore copied, modified or resold for profit-making.

DOWNLOAD

The files eventually available on this web site for download, as technical data sheets, commercial documentation, software, etc., are made available to you in relation to the services offered by INSILVIS.

INSILVIS cannot be held responsible on the content of the documents, the products characteristics, the software, nor other files. Files available for download may be copyrighted or subject to other rights; therefore, INSILVIS suggests to verify all copyrights and license agreements that these may be submitted to.
