

PRIVACY

The Italian law D.Lgs. 196/2003 (Codice in materia di protezione dei dati personali) provides that the treatment of personal data has to be performed respecting the rights, fundamental freedoms and dignity of the human being, with particular reference to privacy and personal identity.

INSILVIS will treat the personal data provided us with lawfully and with full protection of the rights and particularly of the privacy of the person involved. According to section 13 of the above mentioned law we inform you that treatment of the personal data (which will take place by computer) has the purpose of allowing us to execute the contract. If necessary to perform the contract we will send the personal data to the company in charge of the delivery and to the other companies that will take care of phases of the processes of sale and delivery of the products.

In the absence of the requested personal data, the sale contract cannot be implemented.

Provided that the consent is given for this purpose, the personal data will also be treated with the purpose of giving you information about initiatives, events, discounts, promotions and the launching of new products.

With this aim the personal data will be treated only with the same purposes of informing you about the product offers. Agreement to this kind of treatment is optional.

In any case we will not use the personal data for any purposes unless for those indicated above and we will not disclose any information you provide us to any companies unless to those indicated above.

With regards to the treatment of the personal data you will be allowed to exercise the rights provided under section 7 of the D.Lgs. 196/2003.

INSILVIS is appointed for the treatment of personal data provided.

INFORMATION ACCORDING TO SECTION 13 OF D.LGS. 196/2003.

Decreto Legislativo n.196/2003, Section 7 – Right to access personal data and other rights.

1. A data subject shall have the right to obtain confirmation as to whether or not personal data concerning him exist, regardless of their being already recorded, and communication of such data in intelligible form.

2. A data subject shall have the right to be informed

- a) of the source of the personal data;
- b) of the purposes and methods of the processing;
- c) of the logic applied to the processing, if the latter is carried out with the help of electronic means;
- d) of the identification data concerning data controller, data processors and the representative designated as per Section 5(2)
- e) of the entities or categories of entity to whom or which the personal data may be communicated and who or which may get to know said data in their capacity as designated representative(s) in the State's territory, data processor(s) or person(s) in charge of the processing.

3. A data subject shall have the right to obtain

- a) updating, rectification or, where interested therein, integration of the data;
- b) erasure, anonymization or blocking of data that have been processed unlawfully, including data whose retention is unnecessary for the purposes for which they have been collected or subsequently processed;
- c) certification to the effect that the operations as per letters a) and b) have been notified, as also related to their contents, to the entities to whom or which the data were communicated or disseminated, unless this requirement proves impossible or involves a manifestly disproportionate effort compared with the right that is to be protected.

4. A data subject shall have the right to object, in whole or in part,

- a) on legitimate grounds, to the processing of personal data concerning him/her, even though they are relevant to the purpose of the collection;

b) to the processing of personal data concerning him/her, where it is carried out for the purpose of sending advertising materials or direct selling or else for the performance of market or commercial communication surveys.

COMMUNICATION OF PERSONAL DETAILS IN THE ORDER FORM

The order details (name, firm's name, address, location, province, country, e-mail address, fiscal code/ VAT registration number, telephone number) will be used exclusively for the order's management, the shipping and the invoice preparation.

Those details will never be made over to third persons or utilized to mailsend you advertising material.

COOKIES

Cookies: are small text files composed of alphanumeric characters that a server of a website that uses this technology transfers to a user's computer for added functionality or for tracking site usage.

The origin website sends state information to a user's browser (user's preferences, language settings and other common features) and the user's browser returns the state information to the origin site: like this cookies allow a website to recognise users when they return to a site.

Persistent cookies are saved to the hard disk. Session cookies are saved to the browser only and disappear when the browser is closed.

This website uses cookies that are saved to the hard disk and therefore remain after the browser is closed (persistent cookies).

INSILVIS does not use cookies to gather personal information such as a person's name or e-mail address.

It is possible to configure user's browser to reject cookies by modifying the browser settings or preferences.

If user wish to do so, we recommend you consult the information provided in the browser or contact the browser vendor for help and instructions.

Any information gathered by the use of cookies is compiled on an aggregate, anonymous basis.

GOOGLE ANALYTICS

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google").

Google Analytics uses "cookies", which are text files placed on the user's computer, to help the website analyze how users use the site.

The information generated by the cookie about use of the website (including user's IP address) will be transmitted to and stored by Google on servers in the United States .

Google will use this information for the purpose of evaluating user's use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage.

Google may also transfer this information to third parties where required to do so by law, or where such third

parties process the information on Google's behalf.

Google will not associate your IP address with any other data held by Google.

User may refuse the use of cookies by selecting the appropriate settings on the browser: however doing this user may not be able to use the full functionality of this website.

By using this website user consent to the processing of his/her data about by Google in the manner and for the purposes set out above.
